

# Harmony Walk 2022

## WALK FOR CULTURAL UNITY

- Come celebrate our local community in the lively surroundings of Heffron Park.
- Our **2022 Harmony Walk** is an opportunity to mix with the melting pot that is our beach-side community.
- It aims to bring together Australians from diverse backgrounds to help build an inclusive society.
- There'll be lots of entertainment for the whole family, food stores featuring many different international cuisines — and great coffee.
- And there will also be a few surprise guests!
- **Join our short walk around Heffron Park to show your support.**
